SPACE FIREBIRD

SPACE BATTLES BETWEEN YOUR SPACE SHIP AND MYSTERIOUS ATTACKING FIREBIRDS

GAME ACTION

- Zoom in on distant planets deep in space, in a blast of light, they change into firebirds.
- Firebirds attack in tactical loop formation.
- Space ship fires at attacking firebirds with repeating laser gun.
- Various offensive and defensive tactics are possible by pushing warp button. When under sudden attack, a quick escape can be made. When in warp condition, space ship will not explode even if hit, and it can destroy firebirds by ramming.
